

6th Annual Carter Lackey Memorial Miles Virtual Event

Benefiting the United Mitochondrial Disease Foundation
(www.umdf.org) through the Carter Lackey Research Fund

May 23rd and Aug 1st 2020

A virtual event takes place wherever you are (here, there, anywhere) within the event's time frame (May 23rd-Aug 1st, 2020)

This year we've simplified things.

**Do as many miles as you can or as you want to within the 10 weeks of the event!
Use any fitness activity or activities that you want!
Register with a Team or participate as an individual!**

Report your results (miles and fitness activities) to the Event Coordinator by posting in the Facebook Group, messaging on Facebook or by sending an email to clmm@tspt.biz.

**Report as often as you'd like, but minimally reports must be made by June 15th, July 15th & August 1st for miles completed in preceding weeks to be counted.
If you're doing all of your miles at once, you only need to report once.**

**Everyone who reports miles at least once will receive a Finisher's Medal.
There are special awards for Individuals and Teams.**
